

## don't pick up

CIL

Since I left ya ass I got hotter  
Now I dress the way that I wanna  
Don't come home to your attitude  
It's so cool I love it, love it  
Turns out I don't need medication  
It was you in our situation  
My life don't revolve around you  
And it feels so good, I love it

So why  
Why the hell am I  
Callin' you tonight  
Just do me a favor boy

If you see my number, baby, don't pick up  
'Cause you'll just fuck me over like you did last month  
Just once, can you make me come to my senses  
Can we be exes, please, I'm done  
If I've had some drinks and  
I'm sending you pictures  
And sayin' I miss ya  
I'm beggin', baby, don't pick up

I was bein' serious when I said  
You won't find yourself back up in my bed  
Never again  
No never again  
Now I'm textin' you under the table  
I'd tell my friends but I know what they'd say though  
Never again  
No never again

So why  
Why the hell am I  
Callin' you tonight  
Oh please do me a favor boy

If you see my number, baby, don't pick up  
'Cause you'll just fuck me over like you did last month  
Just once, can you make me come to my senses  
Can we be exes, please, I'm done  
If I've had some drinks and  
I'm sending you pictures  
And sayin' I miss ya  
I'm beggin', baby, don't pick up  
If I hit you later  
Forget that I hate ya  
Just do me a favor  
I'm beggin', baby, don't pick up

I don't wanna fix this  
I don't wanna forgive  
But I'm a weak bitch  
And I, I love you  
And if you love me too  
The best thing you can do is

If you see my number, baby, don't pick up  
'Cause you'll just fuck me over like you did last month  
Just once, can you make me come to my senses  
Can we be exes, please, I'm done  
If I've had some drinks and  
I'm sending you pictures  
And sayin' I miss ya  
I'm beggin', baby, don't pick up  
If I hit you later  
Forget that I hate ya  
Just do me a favor  
I'm beggin', baby, don't pick up
