

Sunsets From Space

CIL

I hope that you're dancing with somebody new
And holding her hand by the sea
I hope that she loves you the way that I do
I hope she looks nothing like me

Alone in my Rover, I watch you get older
As I'm floating further away
One day you'll forget me, don't worry, I'm happy
As I watch your sunsets from space

Alone in the darkness, so empty and deep
I watch as the world fades away
I sit on the moon as I sing you to sleep
Pretending I'll see you someday

Alone in my Rover, I watch you get older
As I'm floating further away
One day you'll forget me, don't worry, I'm happy
As I watch your sunsets from space
Alone with my Rover, I watch you get older
As I'm floating further away
One day you'll forget me, don't worry, I'm happy
As I watch your sunsets from space

Ooh-ooh, ooh-ooh
Ooh-oh-ooh, ooh
Ooh-ooh, ooh-ooh
Oh-ooh-oh-ooh, ooh

As I watch your sunsets from space
