

# Follow the Path of the Stars

Cilla Black

I'll find a better life for you  
The stars have said our love's untrue  
And just because we shared a lie  
There is no reason for a soul to die

Oh, oh-oh-oh  
Oh, oh

I've got a soul, and you broke my heart  
Find a new scene, and let us depart

Don't hang around and let yourself  
Be caught in this

You'll find a better people there  
A friendly love, the kind who care  
And not the sort like me you've found  
We're mean and hard, and we push around

Oh, oh, wee-oooh  
Ooh-wee

I've got a soul, and you broke my heart  
Find a new scene and let us depart

Don't hang around and let yourself  
Be caught

Doo-doot-n-doo-n-dee-doo  
Doot-dee, doo, doot, doo

I've got a soul, and you broke my heart  
Find a new scene and let us depart

Oh, no  
Oh-oh-oh, no  
Oh, no
