

# Make It with You

Cilla Black

Hey, have you ever tried  
Really reachin' out for the other side?  
I may be climbin' on rainbows  
But baby, here goes

Dreams, they're for those who sleep  
Life is for us to keep  
And if you're wondering what this all is leadin' to

I wanna make it with you  
I really think that we could make it, boy

No, you don't know me well  
Every little thing, only time will tell  
If you believe the things that I do  
And we'll see it through

Life can be short or long  
Love can be right or wrong  
And if I chose the one I'd like to help me through

I'd like to make it with you  
I really think that we could make it, boy, woo

Baby, you know that  
Dreams, they're for those who sleep  
Life, it's for us to keep  
And if I chose the one I'd like to help me through

I'd like to make it with you  
I really think that we could make it, boy

I really think that we could make it  
Really think that we could make it, boy  
Really think that we could make it
