

# One Two Three

Cilla Black

One two three  
Oh that's how el-e-mentary  
It's gonna be  
C'mon lets fall in love

It's easy  
Like taking candy, from a baby

A B C [A B C]  
Falling in love with you was,  
Easy for me [easy for me]  
And you can do it too

It's easy [It's so easy]  
Like taking candy, from a baby

Baby there's nothing hard about love  
Basically it's as easy as pie  
The hard part is learning about love  
Without your love, baby I would die

One two three [one two three]  
[One two three]

It's easy [It's so easy]  
Like taking candy, from a baby, yeah

One and one are two [one and one are two]  
I know you love me and oh  
How I love you [how I love you]  
Don't try to fight it  
'Cause it's easy [it's so easy]  
Like taking candy, from a baby, yeah

One two three [one two three]  
Oh that's how el-e-mentary  
It's gonna be [it's gonna be]

C'mon lets fall in love  
It's easy
