Cilla Black

Rainbow  
Look me up, look me down  
Rainbow  
You were fun to have around

I was dreamin'  
Of the love I had to share  
Never thinkin'  
You were here, and you were there

Not a word, not a sound  
Couldn't see or even feel the ground  
A pot of gold, I was sold  
By the way you let it float

Rainbow  
Look me up, look me down  
Rainbow  
You were fun to have around

Now, I'm changing  
For the better, for the day  
Feel like singing  
All the colours you convey

Come on home, keep me warm  
And love me till the new day's born  
And I pray, you will stay  
Forever in my eyes

Rainbow  
Look me up, look me down  
Rainbow  
You were fun to have around

Rainbow  
Look me up, look me down
