

# Something's Gotten Hold of My Heart

Cilla Black

Something's gotten hold of my heart  
Keepin' my soul and my senses apart  
Something's gotten into my life  
Cutting its way through my dreams like a knife  
Turning me up, turning me down  
Makin' me smile and makin' me frown

In a world that was small  
I once lived in a time there was peace with no trouble at all  
But then you came my way  
And a feeling unknown shook my heart  
Made me want you to stay  
All of my nights and all of my days  
Yeah, I gotta tell you now

Something's gotten hold of my hand  
Dragging my soul to a beautiful land  
Something has invaded my mind  
Painting my sleep with a colour so bright  
Changing the grey and changing the blue  
Scarlet for me and scarlet for you

Got to know if this is the real thing  
Got to know what's makin' my heart sing, oh, oh, yeah  
You smile, and I am lost for a lifetime  
Each minute spent with you is the right time  
Every hour, yeah, every day, yeah  
You touch me and my mind goes astray  
And baby, and baby

Something's gotten hold of my hand  
Dragging my soul to a beautiful land  
Yeah, something has invaded my mind  
Painting my sleep with a colour so bright  
Changing the grey, changing the blue  
Scarlet for me and scarlet for you
