

The April Fools

Cilla Black

In an April dream
Once you came to me
When you smiled I looked into your eyes
And I knew I'd be lovin' you
And then you touched my hand
And I learned April dreams can come true

Are we just April fools
Who can't see
All the danger around us?
If we're just April fools
I don't care
True love has found us, now

Little did we know
Where the road would lead
Here we are a million miles away
From the past, travelin' so fast
Now, there's no turning back
If our sweet April dream doesn't last

Are we just April fools
Who can't see
All the danger around us?
If we're just April fools
I don't care
True love has found us, now
No need to be afraid
True love has found us, now

True love has found us, now
