

32 Degrees

Cimorelli

I'm on the edge (on the edge)
You got me thinking way too hard (way too hard)
You got me playing all my cards (all my cards)
You know you're tearing me apart (me apart)
Baby, you're it (babe, you're it)
It's like you're moving slow motion (slow motion)
You know you're getting in my head (in my head)
And I can't pretend

Scale 1 to 10, now we're at 11
Stop keeping me guessing (guessing, guessing)
Cause I'm holding in how I'm really feeling
But you've got me stressing (stressing)

Baby, you're way too cool for me
Could someone please turn up the heat?
When you look at me, I freeze
32 degrees, 32 degrees
Now the temp is heating up
But I'm barely keeping up
When you look at me, I freeze
32 degrees, 32 degrees

There will be no doubt
Won't you come figure me out?
Be outside my house
Midnight, throwing rocks
Trying to get me out
Boy, just take me out
Boy, just take me, boy just take me out

Scale 1 to 10, now we're at 11
Stop keeping me guessing (guessing, guessing)
Cause I'm holding in how I'm really feeling
But you've got me stressing (stressing)

Baby, you're way too cool for me
Could someone please turn up the heat?
When you look at me, I freeze
32 degrees, 32 degrees
Now the temp is heating up
But I'm barely keeping up (keeping up)
When you look at me, I freeze
32 degrees, 32 degrees

I don't know what you're thinking of me
When you're looking at me, giving me anxiety
And there's just one thing I need
Can you promise me? Can you promise me, please?

Don't put me in the friend zone
Boy, we're heading for the end zone
Go Netflix on me and download
So you can take me where you go

Don't put me in the friend zone
Boy, we're heading for the end zone

Go Netflix on me and download
So you can take me where you go

Baby, you're way too cool for me
Could someone please turn up the heat?
When you look at me, I freeze
32 degrees, 32 degrees
Now the temp is heating up (up)
But I'm barely keeping up (keeping up)
When you look at me, I freeze
32 degrees, 32 degrees

(Don't put me in the friend zone) Don't put me in the friend zone
Boy, we're heading for the end zone (heading for the end zone)
Go Netflix on me and download
So you can take me where you go

You can take me where you go
Look at me, I freeze
