# Bad Blood

**Cimorelli**

'Cause baby now we got bad blood
You know it used to be mad love
So take a look at what you've done
'Cause baby now we got bad blood

Now we've got problems
And I don't think we can solve 'em
You made a really deep cut
And, baby, now we've got bad blood

Did you have to do this?
I was thinking you could be the trusted
Did you have to ruin
What was shining? Now it's all rusted

Did you have to hit me
Where I'm weak? Baby, I couldn't breathe
And rub it in so deep
Salt in the wound like you're laughing right at me

Oh, it's so sad to
Think about the good times
You and I

'Cause baby now we got bad blood
You know it used to be mad love
So take a look at what you've done
'Cause baby now we got bad blood

Now we've got problems
And I don't think we can solve 'em
You made a really deep cut
And, baby, now we've got bad blood

Did you think we'd be fine?
Still got scars on my back from your knife
So don't think it's in the past
These kinda wounds they last and they last now

Did you think it all through?
All these things will catch up to you
And time can heal but this won't
So if you come in my way just don't

Oh, it's so sad to
Think about the good times
You and I

'Cause baby now we got bad blood
You know it used to be mad love
So take a look at what you've done
'Cause baby now we got bad blood

Now we've got problems
And I don't think we can solve 'em
You made a really deep cut
And, baby, now we've got bad blood

Band aids don't fix bullet holes
You say sorry just for show
You live like that
You live with ghosts

Band aids don't fix bullet holes
You say sorry just for show
If you live like that
You live with ghosts

If you love like that
Blood runs cold

'Cause baby now we got bad blood
You know it used to be mad love
So take a look at what you've done
'Cause baby now we got bad blood

Now we've got problems
And I don't think we can solve 'em
You made a really deep cut
And, baby, now we've got bad blood
