

# Dancing On My Own

Cimorelli

I keep dancing on my own

Somebody said you got a new friend  
Does she love you better than I can?  
It's a big black sky over my town  
I know where you at, I bet she's around

Yeah, I know it's stupid, but I had to see it for myself

I'm in the corner, watching you kiss her, oh  
I'm right over here, why don't you see me? Oh  
I'm giving it my all  
But I'm not the one you're taking home, ooh  
I keep dancing on my own

I'm just gonna dance all night  
I'm all messed up, I'm so outta line  
Stilettos and broken promises  
You're words keep running through my head

I'm in the corner, watching you kiss her, ohh  
I'm right over here, why can't you see me, ohh  
I'm giving it my all  
But I'm not the girl you're taking home, ooh  
I keep dancing on my own

So far away, but still so near  
The lights go off, the music dies  
But you don't see me standing here  
Oh, I just came to say goodbye

I'm in the corner, watching you kiss her, ohh  
I'm right over here, why can't you see me? ohh  
I'm giving it my all  
But I'm not the girl you're taking home, oh whoa  
I keep dancing on my own

I keep dancing on my own, ooh  
I keep dancing on my own  
I keep dancing on my own
