

# Ghost

Cimorelli

Youngblood thinks there's always tomorrow  
I miss your touches on nights when I'm hollow  
I know you crossed a bridge that I can't follow

Since the love that you left is all that I get  
I want you to know

That if I can't be close to you  
I'll settle for the ghost of you  
I miss you more than life (More than life)  
And if you can't be next to me  
Your memory is ecstasy  
I miss you more than life  
I miss you more than life

Youngblood thinks there's always tomorrow  
I need more time, but time can't be borrowed  
I'd leave it all behind if I could follow

Since the love that you left is all that I get  
I want you to know

That if I can't be close to you  
I'll settle for the ghost of you  
I miss you more than life, yeah (More than life)  
And if you can't be next to me  
Your memory is ecstasy  
I miss you more than life  
I miss you more than life

Breaking up without you, everyday's like a nightmare  
Angel on earth, now you're gone and it's not fair  
I'd give anything to hear your voice again

And now you can't be close to me  
You've always been the most to me  
I miss you more than life  
I miss you more than life

If I can't be close to you  
I'll settle for the ghost of you  
I miss you more than life  
And if you can't be next to me  
Your memory is ecstasy  
I miss you more than life  
I miss you more than life

I'll settle for the ghost of you
