

# God Only Knows

Cimorelli

Wide awake while the world is sound asleepin'  
Too afraid of what might show up while you're dreamin'  
Nobody, nobody, nobody sees you  
Nobody, nobody would believe you

Every day you try to pick up all the pieces  
All the memories, they somehow never leave you  
Nobody, nobody, nobody sees you  
Nobody, nobody would believe you

God only knows what you've been through  
God only knows what they say about you  
God only knows how it's killing you  
But there's a kind of love that God only knows  
God only knows what you've been through  
God only knows what they say about you  
But God only knows the real you  
There's a kind of love that God only knows

There's a kind of love that  
There's a kind of love  
There's a kind of love that  
There's a kind of love

You keep a cover over every single secret  
So afraid if someone saw them, they would leave  
But somebody, somebody, somebody sees you  
Somebody, somebody will never leave you

God only knows what you've been through  
God only knows what they say about you  
God only knows how it's killing you  
But there's a kind of love that God only knows

God only knows what you've been through  
God only knows what they say about you  
But God only knows the real you  
There's a kind of love that God only knows

There's a kind of love that  
There's a kind of love (God only knows)  
There's a kind of love that  
There's a kind of love

For the lonely, for the ashamed  
The misunderstood, and the ones to blame  
What if we could start over?  
We could start over, we could start over

Oh, for the lonely, for the ashamed  
The misunderstood, and the ones to blame  
What if we could start over?  
We could start over, we could start over  
'Cause there's a kind of love that God only knows

God only knows what you've been through  
God only knows what they say about you

God only knows the real you  
And there's a kind of love that God only knows

God only knows what you've been through  
God only knows what they say about you  
But God only knows it's killing you  
There's a kind of love that God only knows

There's a kind of love that  
There's a kind of love (God only knows)  
There's a kind of love that  
There's a kind of love (God only knows)

God only knows where to find you  
God only knows how to break through  
God only knows the real you  
There's a kind of love that God only knows
