

Happier Mashup

Cimorelli

I know I was happier with you

Walking down 29th and Park
I saw you in another's arm
Only a month we've been apart
You look happier, you do

Saw you walk into your car
She said something to make you laugh, oh
I saw that both your smiles were twice as wide as ours
You look happier, you do

Ain't nobody hurt you like I hurt you
But ain't nobody love you like I do

Promise that I will not take it personal, baby
If you're moving on with someone new

'Cause lately, I've been, I've been thinking
I want you to be happier, I want you to be happier
Even though I might not like this
I think that you'll be happier, and I want you to be happier

When the morning comes
When we see what we've become
In the cold light of day, we're a flame in the wind
Not the fire that we've begun

But we've run our course, we pretended we're okay
But if we jump together, at least we can swim
Far away from the wreck we made

Then only for a minute
I want to change my mind
'Cause this just don't feel right to me

I wanna raise your spirits
I want to see you smile but
Know that means I'll have to leave

Baby, you look happier, you do
My friends told me one day I'll feel it too

I could try to smile to hide the truth
But I know I was happier with you

Hey yeah, hey yeah, hey yeah

Ain't nobody hurt you like I hurt you
But ain't nobody need you like I do
I know that there's others that deserve you
But my darling, I am still in love with you

Lately, I've been, I've been thinking
I want you to be happier, I want you to be happier, it's true
And even though I might not like this
I think that you'll be happier, it's true

And I could try to smile and hide the truth
But I know I was happier with you

So I'll go, I'll go
I'll go, go

So I'll go, I'll go
I will go, go, go
