

Heat Waves

Cimorelli

Sometimes, all I think about is you
Late nights in the middle of June
Heat waves been fakin' me out
Can't make you happier now

Usually, I put somethin' on TV
So we never think about you and me
But today, I see our reflections clearly
In Hollywood, layin' on the screen
You just need a better life than this
You need somethin' I can never give
Fake water all across the road
It's gone now, the night has come, but

Sometimes, all I think about is you
Late nights in the middle of June
Heat waves been fakin' me out
Can't make you happier now

You can't fight it, you can't breathe
You say somethin' so lovin', but
Now I gotta let you go
You'll be better off in someone new
I don't wanna be alone
You know it hurts me too
You look so broken when you cry
One more and then I say goodbye

Sometimes, all I think about is you
Late nights in the middle of June
Heat waves been fakin' me out
Can't make you happier now
Sometimes, all I think about is you
Late nights in the middle of June
Heat waves been fakin' me out
Can't make you happier now

I just wonder what you're dreamin' of
When you sleep and smile so comfortable
I just wish that I could give you that
That look that's perfectly un-sad
Sometimes, all I think about is you
Late nights in the middle of June
Heat waves been fakin' me out
Heat waves been fakin' me out

Sometimes, all I think about is you
Late nights in the middle of June
Heat waves been fakin' me out
Can't make you happier now
Sometimes, all I think about is you
Late nights in the middle of June
Heat waves been fakin' me out
Can't make you happier now
