

It Ain't Me

Cimorelli

I had a dream
You were everything to me
Highest floor, the bowery
It was all in out
Somewhere along the line
We stopped seeing eye to eye
You were staying out all night
And I'd had enough

No, I don't want to know
Where you've been
Or where you're going
But I know I won't be home
And you'll be on your own

Who's gonna walk you through the dark side of the morning?
Who's gonna rock you when the sun won't let you sleep?
Who's waking up to drive you home when you're lost and all alone?
Who's gonna walk you through the dark side of the morning?

I had a dream
We were back to seventeen
Summer nights and liberties
Never growing up

I'll take with me
Polaroids and the memories
But you know I'm gonna leave behind the worst of 'em

No I don't want to know
Where you've been
Or where you're going
But I know I won't be home
And you'll be on your own

Who's gonna walk you through the dark side of the morning?
Who's gonna rock you when the sun won't let you sleep?
Who's waking up to drive you home when you're lost and all alone?
Who's gonna walk you through the dark side of the morning?

It ain't me
No, no, no, no it ain't me, no

Who's gonna walk you through the dark side of the morning?
Who's gonna rock you when the sun won't let you sleep?
Who's waking up to drive you home when you're lost and all alone?

'Cause baby, it ain't me
