

# Kick the Habit

Cimorelli

It seemed harmless at the time  
Breaking the rules so I could fly  
I told myself I could stop at anytime

When this came into my life  
I just knew it wasn't right  
But I got hooked on it anyway  
I know I do this all the time

Now I know it's a habit  
Tell me can I kick that?  
Hey yeah  
I need to get back  
Back on my right track

'Cause everywhere I go  
I know it's killing me  
I can't get away from the enemy  
I need to get back on the ground  
Gotta kick this habit now

I feel it everywhere I go  
Always tryna pull me back  
Down that road  
But I don't wanna be the one  
To let it take control

I'm fed up  
With this habit  
Tell me can I kick that?  
Hey yeah  
I need to get back  
Back on the right track

'Cause everywhere I go  
I know it's killing me  
I can't get away from the enemy  
I need to get back on the ground  
Gotta kick this habit now

I'm done with this game  
It's only gonna break my heart  
I'm broken and I'm scarred  
But I made it this far

Step one admit the problem  
Two take action  
Three I'm gonna kick this habit

Yeah...

'Cause everywhere I go  
I know it's killing me  
I can't get away from the enemy

Everywhere I go  
I know it's killing me

I can't get away from the enemy  
I need to get back on the ground  
Gotta kick this habit now

Kick this habit now  
Kick this habit now  
Now  
Gotta kick this habit now
