

## Mine / Delicate

Cimorelli

This ain't for the best, my reputation's never been worse so  
He must like me for me

I'm here on the east side, where you at  
Phone lights up my nightstand in the black  
Come here you can meet me in the back  
( 'Cause I like you)  
Dark jeans and your nikes look at you  
Oh dang never seen that color blue  
Just think of the fun things we could do  
( 'Cause I like you)

This ain't for the best, my reputation's never been worse so  
You must like me for me  
(Yeah I want you)

We can't make any promises now can we babe, but you can make me  
think

I'm so I'm so happy you're alive  
Swear that I'm down if you're down I'll be right there by your  
side  
Boy anything that I can do just to keep you in my life ohhh  
I just had to let you know you're  
Fine, running circles 'round my mind  
Even when it's rainy all you ever do is shine, you on fire  
You're a star just like mariah, man this feel incredible  
It's never been so right you're

Mine, nobody better I don't wanna waste no time  
Feels like forever even if forever's tonight  
Just stay with me, waste this night away with me you're mine  
I can't look away, I just gotta say

Sometimes I wonder when you sleep are you ever dreaming of me  
Sometimes when I look into your eyes  
I pretend you're mine all of the time

Is it cool that I said all that  
Is it chill that you're in my head  
'Cause I know that it's delicate

Is it cool that I said all that  
Is it too soon to do this yet  
'Cause I know that it's delicate, delicate
