

One Direction Medley

Cimorelli

They don't know about the things we do
They don't know about the "I love you"s
But I bet ya if they only knew
Baby, they don't know about, they don't know about us

You're insecure, don't know what for
You're turning heads when you walk through the door

Don't need makeup to cover up
Being the way that you are is enough

Something's gotta give now
'Cause I'm dying just to make you see
That I need you here with me now
'Cause you've got that one thing

Let's go crazy, crazy, crazy 'til we see the sun
I know we only met, but let's pretend it's love
And never, never, never stop for anyone
Tonight let's fall in love
And live while we're young

Maybe it's the way he walked
Straight into my heart and stole it

Through the doors and past the guards
Just like he already owned it

If I didn't have you, there would be nothing left
The shell of a man who could never be his best
If I didn't have you, I'd never see the sun

'Cause you've got that one thing

Like, yeah, I've been watching you all night
There's something in your eyes
So c'mon, c'mon and dance with me baby

If you like causing trouble up in hotel rooms
And if you like having secret little rendezvous
If you like to do the things you know that we wouldn't do
Baby, I'm perfect, baby I'm perfect for you

I've just let these little things slip out of my mouth
And it's you, it's you, it's you they add up to
And I'm in love with you
And all your little things

We're only getting older, baby
And I've been thinking about it lately

Does it ever drive you crazy
Just how fast the night changes?

If only you saw what I could see
You'd understand why I want you so desperately

Right now I'm looking at you
And I can't believe
You don't know
Oh, oh

You don't know you're beautiful

That's what makes you beautiful

Giving me a heart attack
Getting over you

Always made in the A.M

That's what makes you beautiful

'Cause you and I

You and I, We don't wanna be like them

We can make it to the end

No, nothing can come between you and I
