

## Paris

Cimorelli

Lauren:

We were staying in Paris  
To get away from your parents  
And I thought wow  
If we could give this in a shot  
Right now but I don't think  
That we could work this out

Dani:

Out on the terrace  
I don't know if it's fair but I though  
How could I let you fall by yourself  
While I'm waiting with someone else?

Katherine:

If we go down then we go down together  
They'll say you could do anything  
They'll say that I was clever

Lisa:

If we go down then we go down together  
We'll get away with everything  
Let's show them we are better (3x)

Amy:

We were staying in Paris  
To get away from your parents  
You look so proud  
Sitting' there looking down at your silhouette  
Posting pictures of yourself on the internet

Christina:

Out on the terrace  
We breathe in the air of this small town  
On our own cuttin' class for the thrill of it  
Reminisce on the past we were livin' in

Katherine:

If we go down then we go down together  
They'll say you could do anything  
They'll say that I was clever

Lauren:

If we go down then we go down together  
We'll get away with everything  
Let's show them we are better

Lisa:

Let's show them we are, show them we are (2x)  
Let's show them we are better

Dani:

Let's show them we are  
Show them we are (3x)  
Let's show them we are better
