

# Perfect

Cimorelli

I might never be your night in shining armour  
I might never be the one you take home to momma  
And I might never be the one who brings you flowers  
But I can be the one  
Be the one you like

When I first saw you from across the room  
I could tell that you were curious  
Boy I hope you're sure what you're looking for  
'Cause I'm not good at making promises

But if you like causing trouble up in hotel rooms  
And if you like having secret little rendezvous  
If you like to do the things you know that we wanna do  
Baby I'm perfect  
Baby I'm perfect for you

And if you like midnight driving with the windows down  
And if you like going places we can't even pronounce  
And if you like to do whatever you've been dreaming about  
Baby you're perfect  
Baby you're perfect  
So let's start right now

I might never be the hands you put your heart in  
Or the arms that hold you anytime you want them  
But that don't mean that we can't live here in the moment  
'Cause I can be the one  
Be the one you like

When I first saw you from across the room  
I could tell that you were curious  
Boy I hope you're sure what you're looking for  
'Cause I'm not good at making promises

But if you like causing trouble up in hotel rooms  
And if you like having secret little rendezvous  
If you like to do the things you know that we wanna do  
Baby I'm perfect  
Baby I'm perfect for you

And if you like midnight driving with the windows down  
And if you like going places we can't even pronounce  
And if you like to do whatever you've been dreaming about  
Baby you're perfect  
Baby you're perfect  
So let's start right now

If you like cameras flashing everytime we go out  
And if you're looking for someone to write your break-up songs about  
Baby I'm perfect  
Baby we're perfect

But if you like causing trouble up in hotel rooms  
And if you like having secret little rendezvous  
If you like to do the things you know that we wanna do  
Baby I'm perfect

Baby I'm perfect for you

And if you like midnight driving with the windows down  
And if you like going places we can't even pronounce  
And if you like to do whatever you've been dreaming about  
Baby you're perfect  
Baby you're perfect  
So let's start right now
