Rather Be

Cimorelli

We're a thousand miles from comfort We have travelled land and sea But as long as you are with me There's no place I'd rather be

I would wait forever
Exulted in the scene
As long as I am with you
My heart continues to beat

With every step we take Kyoto to the bay Strolling so casually

We're different and the same Gave you another name Switch up the batteries

If you gave me a chance
I would take it
It's a shot in the dark
But I'll make it
Know with all of your heart
You can't shame me
When I am with you
There's no place I'd rather be

No no no no no
No place I'd rather be
No no no no no
No place I'd rather be
No no no no no
No place I'd rather be

We staked out on a mission To find our inner peace Make it everlasting So nothing's incomplete

It's easy being with you
Sacred simplicity
As long as we're together
There's no place I'd rather be

With every step we take Kyoto to the bay Strolling so casually

We're different and the same Gave you another name Switch up the batteries

If you gave me a chance
I would take it
It's a shot in the dark
But I'll make it
Know with all of your heart

You can't shame me When I am with you There's no place I'd rather be

No no no no no
No place I'd rather be
No no no no no
No place I'd rather be
No no no no no
No place I'd rather be
When I am with you
There's no place I'd rather be

Oooh
