

...Ready For It?

Cimorelli

Knew he was a killer
First time that I saw him
Wonder how many girls he had loved and left haunted
But if he's a ghost then I can be a phantom
Holdin' him for ransom

Some, some boys are tryin' too hard
He don't try at all though
Younger than my exes but he act like such a man, so
I see nothing better, I keep him forever
Like a vendetta-ta

I-I-I see how this is gonna go
Love me, and you'll never be alone
I-I know we won't never let this go
No one has to know

In the middle of the night, in my dreams
All I ever see is you, baby, hm

In the middle of the night, in my dreams
I know I'm gonna be with you
So I take my time
Are you ready for it?

Are you ready for it?
Knew I was a robber
First time that he saw me
Stealing hearts and running off and never saying sorry
But if I'm a thief then
He can join the heist
And we'll move to an island and

And we can be like jailers
Burton to this Taylor
Every love I've known in comparison is a failure
I forget their names now
I'm so very tame now
Never be the same now, now

I-I-I see how this is gonna go
Love me me and you'll never be alone
I-I know we won't never let this go
No one has to know

In the middle of the night, in my dreams
All I ever see is you, baby, hm

In the middle of the night, in my dreams
I know I'm gonna be with you
So I take my time
Are you ready for it?

Are you ready for it?

Baby, let the games begin
Let the games begin

Let the games begin
(Now I)
Baby, let the games begin
Let the games begin
Let the games begin

I-I-I see how this is gonna go
Love me me and you'll never be alone
I-I know we won't never let this go
No one has to know

In the middle of the night, in my dreams
All I ever see is you (is you), baby (baby), hm

In the middle of the night, in my dreams
I know I'm gonna be with you
So I take my time
In the middle of the night

Baby, let the games begin
Let the games begin
Let the games begin
(Now I)
Baby, let the games begin
Let the games begin
Let the games begin
(Now I)

In the middle of the night, in my dreams
I know I'm gonna be with you
So I take my time
Are you ready for it?
