

Sorry Not Sorry

Cimorelli

Now I'm out here looking like revenge
Feelin' like a ten, the best I ever been
And yeah, I know how bad it must hurt
To see me like this, but it gets worse
Now you're out here looking like regret
Ain't too proud to beg, second chance you'll never get
And yeah, I know how bad it must hurt to see me like this
But it gets worse

Now payback is a bad chick
And baby, I'm the baddest
You messin' with a savage
Can't have this, can't have this
And it'd be nice of me to take it easy on ya, but nah

Baby, I'm sorry (I'm not sorry)
Baby, I'm sorry (I'm not sorry)
Being so bad got me feelin' so good
Showing you up like I knew that I would
Baby, I'm sorry (I'm not sorry)
Baby, I'm sorry (I'm not sorry)
Feeling inspired 'cause the tables have turned
Yeah, I'm on fire and I know that it burns

Baby, fineness is the way to kill
Tell me how it feel, bet it's such a bitter pill
And yeah, I know you thought you had bigger, better things
Bet right now this stings

'Cause the grass is greener under me
Bright as technicolor, I can tell that you can see
And yeah, I know how bad it must hurt to see me like this
But it gets worse (wait a minute)

Now payback is a bad chick

And baby, I'm the baddest

You messin' with a savage

Can't have this, can't have this

And it'd be nice of me to take it easy on ya, but nah

Baby, I'm sorry (I'm not sorry)
Baby, I'm sorry (I'm not sorry)
Being so bad got me feelin' so good
Showing you up like I knew that I would
Baby, I'm sorry (I'm not sorry)
Baby, I'm sorry (I'm not sorry)
Feeling inspired 'cause the tables have turned
Yeah, I'm on fire and I know that it burns

Talk that talk, baby
Better walk, better walk that walk, baby
If you talk, if you talk that talk, baby
Better walk, better walk that walk, baby

Oh yeah
Talk that talk, baby
Better walk, better walk that walk, baby
If you talk, if you talk that talk, baby
Better walk, better walk that walk, baby

Baby, I'm sorry (I'm not sorry)
Baby, I'm sorry (I'm not sorry)
Being so bad got me feelin' so good
Showing you up like I knew that I would
Baby, I'm sorry (I'm not sorry)
Baby, I'm sorry (I'm not sorry)
Feeling inspired 'cause the tables have turned
Yeah, I'm on fire and I know that it burns
