

The Way

Cimorelli

I love the way you make me feel
I love it, I love it
I love the way you make me feel
I love it, I love it

You give me that kinda somethin'
Want it all the time, need it every day

On a scale of one to ten, I'm at a 100
Never get enough, I can't stay away

If you want love I got it, I got it every day
You can get whatever you need from me

Stay by your side, I'll never leave ya
And I ain't going nowhere 'cause you're a keeper

So don't you worry
Baby, you got me

I got it bad boy, I must admit it (Must admit it)
You got my heart, don't know how you did it (How you did it)
And I don't care who sees it, babe, I don't want to hide the way
I feel when you're next to me

I love the way
I love the way
Baby, I love the way
Ohh, I love the way, just the way I love you

Ohh, it's so crazy, you get my heart jumpin'
When you put your lips on mine (MIne)
And honey it ain't a question (Qu-qu-question)
Boy, you know I never lie

So if you need love, I got it, I got it every day
Be your lover, your friend, you'll find it all in me

Stay by your side (I'll never leave ya)
And I ain't going nowhere 'cause you're a keeper

So don't you worry
Baby, you got me

I love the way
I love the way

Baby, I love the way
Ohh, I love the way

Uh, I'm thinkin' 'bout her every second, every hour
Do my singing in the shower, pickin' petals off the flowers like

Does he love me, does he love me not?
What? I ain't a player, I just crush a lot

So don't you worry

Baby, you got me
I got it bad boy, I must admit it
You got my heart, don't know how you did it
And I don't care who sees it, babe, I don't want to hide the way
I feel when you're next to me

'Cause I love the way
I love the way
I love the way
Baby, I love the way
Baby, I love the way
Ohh, I love the way

I love the way
I love the way
Said baby, I love the way
Ohh, I love the way, Just the way I love you
