

# What Would You Do

Cimorelli

I was walking down the hallway of my school, yesterday  
When someone, pushed me against the wall  
Said "You're a fool, you're not cool. You're totally lame."

There must have been 15 kids in that hall  
But no one came to my rescue  
No one at all  
And all I wanted to say:

Is what would you do if it were you  
Shot down, pushed around  
Lonely and scared  
Would you stand for yourself  
Would you cry out for help  
Hoping that somebody cares  
What would you do  
What would you do if it were you

I went home and told my parents  
And they said: "Just ignore it."  
But I, I couldn't get that scene out of my head  
To see in red  
I can't close the door on it

I wish they could feel the pain that I'm going through  
Wish they could see it from my point of view  
I wouldn't say that anymore

What would you do if it were you  
Shut down, pushed around  
Lonely and scared  
Would you stand for yourself  
Would you cry out for help  
Hoping that somebody cares  
What would you do  
What would you do  
If it were you

Maybe someday there'll be no more bullies  
I won't have to say

What would you do if it were you  
Shot down, pushed around  
Lonely and scared  
Would you stand for yourself  
Would you cry out for help  
Hoping that somebody cares  
What would you do  
What would you do  
If it were you  
What would you do  
If it were you
