

## Wildest Dreams

Cimorelli

He said "Let's get out of this town, drive out of the city, away from the crowds"

I thought nothing can't help me now, nothing lasts forever, but this is gonna take me down

He was sort of punk rock, I grew up on hip hop, you found me better than my favourite sweater

And I know that love is mean, and love hurts and I still remember that day we met in December

Say you'll remember me standing in a nice dress, staring at the sunset, babe

Red lips and rosy cheeks say you'll see me again even if it's just in your wildest dreams, ahhh, wildest dreams, ahhh

He said no one else knows me like you, and I can't help but fall, there's nothing I can do

And his voice is a familiar sound, nothing lasts forever, but this is getting good now

But he headed out on Sunday, said he'd come on Monday, I stayed up waiting, anticipating and facing but he was chasing paper  
Caught up in the game it was the last I heard

Say you'll remember me standing in a nice dress, staring at the sunset, babe

Red lips and rosy cheeks, say you'll see me again even if it's just in your wildest dreams, ahhh, wildest dreams, ahhh

See me in hindsight, thinkin' about you all night, burning it down

Someday when you leave me I bet these memories follow you around

See me in hindsight, thinkin' about you all night, burning it down

Someday when you leave me I bet these memories follow you around

Say you'll remember me standing in a nice dress, staring at the sunset, babe

Red lips and rosy cheeks, say you'll see me again even if it's just pretend

Say you'll remember me standing in a nice dress, looking at the sunset, babe

Red lips and rosy cheeks, say you'll see me again even if it's just in your wildest dreams

I will love you till the end of time
