

# Without Me / Cry Me A River

Cimorelli

Found you when your heart was broke  
I filled your cup until it overflowed  
Took it so far to keep you close  
I was afraid to leave you on your own

I said I'd catch you if you fall  
And if they laugh, then fuck 'em all  
And then I got you off your knees  
Put you right back on your feet  
Just so you could take advantage of me

You told me you loved me  
Why did you leave me all alone  
Now you tell me you need me  
When you call me on the phone  
Boy I refuse  
You must have me confused  
With some other girl  
The bridges were burned  
Now it's your turn  
To cry

You know that they say  
That some things are better left unsaid (better left unsaid)  
[?] like you only talked to her and you know it  
(Don't act like you don't know it)

All of these things people told me  
Keep messing with my head  
Should've picked honesty  
Then you may not have blown it

Tell me, how's it feel sittin' up there?  
Feeling so high, but too far away to hold me  
You know I'm the one who put you up there  
Name in the sky, does it ever get lonely?

Thinking you could live without me  
Live without me  
Baby, I'm the one who put you up there  
I don't know why (I don't know why)

You don't have to say what you did (what you did)  
I already know (I already know)  
I found out from her

You don't have to say what you did  
I already know  
I found out from her  
Now there's just no chance for you and me  
Will never be  
Don't it make you sad about it

Cry me a river  
Cry me a river  
(Cry me a river)  
Cry me a river

Cry me a river

Thinking you could live without me  
Thinking you could live without me  
Baby, I'm the one who put you up there  
I don't know why (I don't know why)

You don't have to say what you did  
I already know  
I found out from her
