

Your Name Is Forever

Cimorelli

Blessed in my Lord, my rock
Who trains my hands for battle
My fortress, my stronghold

My God, may I joyfully sing of Your justice
My God, may I joyfully sing

Lord, Your name is forever
Lord, Your name is forever
Though I walk in the midst of danger
Your right hand save me
The Lord is with me 'til the end
Your name is forever [x4]

In You I trust, I hope
Lord, You are good to all
O save me in Your kindness

My God, may I joyfully sing of Your justice
My God, may I joyfully sing

Lord, Your name is forever
Lord, Your name is forever
Though I walk in the midst of danger
Your right hand save me
The Lord is with me 'til the end
Your name is forever [x4]

Lord, Your name is forever
And I will praise You forever

Lord, Your name is forever
Lord, Your name is forever
Though I walk in the midst of danger
Your right hand save me
The Lord is with me 'til the end
Your name is forever [x6]
