

# Shake Me

Cinderella

Alright, yea  
I met this girl around quarter to ten  
We made it once, she said "Make me again."  
She wrapped her love around me all night long  
In the mornin' we were still goin' strong

Now let me tell ya, it sure feels good  
First time I saw that girl I knew it would  
Now let me tell ya, it sure felt right  
No pullin' teeth, she didn't want to fight, she said

Shake me, all night, she said  
Shake me, shake it, don't break it baby  
Shake me, all night, she said  
All night long  
All night long baby

Screamed and scratched and rolled out of the bed  
I never really got her out of my head  
And now and then she makes those social calls  
Gives me a squeeze, gets me kickin' the walls

Now let me tell ya, it still feels tight  
And we were shakin' after every bite  
I feel her comin' in the middle of the night  
Screamin' higher

Shake me, all night, she said  
Shake me, shake it, don't break it baby  
Shake me, all night, she said  
Shake me, ooo yea

All night, keep the fire burnin', cause we're doin' all right  
All night, come on and shake it right

Shake me  
Shake me  
Shake me  
Shake me

Shake me all night, she said  
Shake me, shake it, don't break it baby  
Shake me, all night, she said  
Shake me, ooo yea

Shake me  
Shake me, yea  
Shake me  
Ooo come on baby baby  
Shake me  
Shake me
