

Will You Be There

Cindy Morgan

I do not want to walk through Heaven's gates
and not see your face
And I do not want to dance beside the streams
Without you with me
Or See the angels fill the sky
The Heaven's sing and all creation cries
Hosanna, Savior, God our Father
Creator, Oh Savior and King
You've got to be there
with me
Oh, Please
You've got to be there with me
Will you be there with me?
