

Resentment

Circa Survive

I can't begin to wonder what you think of me
If I could say exactly what I wanted
But I bite my tongue cause I know the day will come
When you will see exactly who you are
When you will see exactly who you are
Oh!

How is it that we're the same blood?
Sometimes it's hard to accept
You lose the saddle not the horse
Sometimes it's hard to live with
Resentment like this (sometimes it's hard to live with)
Resentment like this (sometimes it's hard to admit)
Resentment like this (sometimes it's hard to live with)
Resentment like this

I can't begin to ponder how quickly you would leave
If you could know exactly what I thought
But I'll never say
Mostly 'cause I'm afraid and maybe I don't ever want to lose you
Oh, I don't ever want to lose you
Oh!

How is it that we're the same blood?
Sometimes it's hard to accept
You lose the saddle not the horse
Sometimes it's hard to live with
Resentment like this (sometimes it's hard to admit)
Resentment like this (sometimes it's hard to live with)
Resentment like this (sometimes it's hard to admit)
Resentment like this

Is it possible for you to admit you need us?
Is it wrong of me to want you to say
You never meant to treat us that way?
We can forgive you, but we won't forget this happened
We can forgive you, but we won't forget
Oh!

It's the only way
It's the only way
It's the only way that we will be together
It's the only way
It's the only way
It's the only way that we will be together
Oh!
