

Battered & Bruised

Circa Waves

It took a long, long time for the sun to rise
And I've seen my scars reflect in your eyes
And I'm feelin' broke, I'm feelin' I've been used
My love, my heart is battered and bruised

And I build my walls but they pull them down
But you pick me up when I'm on the ground
And I'm feelin' down, I'm feelin' quite confused
My love, my heart is battered and bruised

(Oh-oh-oh)
My heart is battered and bruised
(Oh-ey-oh)

I'm feelin' broke, I'm feelin' I've been used
I'm feelin' down, I'm feelin' quite confused
My love, my heart is battered and bruised

(Oh-oh-oh)
My heart is battered and bruised
(Oh-oh-oh)
My heart is battered and bruised
