Sign up for money
Sign up for all the things
You think will make you funny
Oh, boy, you're wasting your weeks

Sign up for hate
To kill some time
Sign up with the insecure
Carnivores online
You're driving half asleep

And we're all drinking lemonade
We thought we'd be doing something great
By now, by now
And we're all drinking lemonade
We thought we'd be doing something great
By now, by now, by now

Where talent dies each week
You're braver than you think

Sign up for peace
To rent or buy
Just sign the dotted line
It's easy if you try
Oh, the rich ones love to lie

And we're all drinking lemonade
We thought we'd be doing something great
By now, by now
And we're all drinking lemonade
We thought we'd be doing something great
By now, by now, by now

And we're all drinking lemonade (all drinking lemonade)
We thought we'd be doing something great
By now, by now, by now
