

# Sugar Side

Circa Waves

She calls my name when she closed her eyes  
I can't believe I'm the lucky guy  
Who gets to sleep on the sugar side  
You shot my heart with a loaded gun  
I swear I'd kill fuckin' anyone  
Just to sleep on the sugar side

And I don't know where I  
Belong tonight  
No, I don't know where I  
Belong tonight

Meet me on the sugar side  
Meet me on the sugar side  
Meet me on the sugar

We're dressing up for a black tie  
The cheapest suit that I could buy  
Well we will sleep on the sugar side  
But I'm so nervous I could probably die  
To say the least I'm camera shy  
I guess I'll sleep on the sugar side

And I don't know where I  
Belong tonight  
No, I don't know where I  
Belong tonight

Meet me on the sugar side  
Meet me on the sugar side  
Meet me on the sugar  
Meet me on the sugar side  
Meet me on the sugar side  
Meet me on the sugar

But I'll never lose my head  
But I will never fail again  
I will never lose my head  
Oh, I will never lose my head

And I don't know where I  
Belong tonight  
No, I don't know where I  
Belong tonight

Meet me on the sugar side  
Meet me on the sugar side  
Meet me on the sugar  
Meet me on the sugar side  
Meet me on the sugar side  
Meet me on the sugar
