

## Descend

### Circle of Dust

Descend...

Portray an image of power and security  
Foundations crumble at the base  
Inner turmoil - Reflection read externally  
Veil of lies attempts to hide our face

Descend...

Molten masses - In their image we are formed  
Art of deception mastered skillfully  
Decay of value - Stifled cry of the unborn  
With open eyes - We still refuse to see

Respond - Arise - Nation - Divided  
Descend...

Respond - Arise - Nation - Divided

Selfish syringe - Draining lifeblood from our veins  
Pallid skin - Displays condition true  
Struggling on - Oblivious to our own pain  
Contented smiles - As we continue to

Descend...
