'Fore you jump to conclusions  
Such drastic conclusions  
Better ask yourself just what exactly went wrong?  
Before we jump to conclusions  
Such pitiful conclusions  
Better ask yourself just what exactly went wrong?

'Cause the way I see it  
There's so many sides to it  
You better ask yourself just what could you have done wrong

There is just so much wrong  
There is just so much, wait  
There is just so much mixed up  
Conclusions  
Better ask ourselves just what went wrong or right

Before we jump to conclusions  
Such dreadful conclusions  
Better ask ourselves just what can we do wrong

(Doesn't matter, doesn't matter, doesn't matter, doesn't matter  
, doesn't matter, doesn't matter)  
(Just look around, just look around, just look around, just look  
around, just look around)
