

# Just In Time To See You All

## Circulatory System

\*momentálně není videoklip k dispozici\*

They came from the sky inside us  
Just in time  
They came from the sky inside us  
Just in time  
Just in time to see you  
Just in time to see him  
Just in time to see me  
Just inside to see you all  
Just inside to see you all
