

# Glory Of The Empire

Circus Maximus

The men stood tall on the battleground  
With pride in their eyes  
And with faith to guide them  
Blood was spilled over the fields  
They won, but for what cause?  
What we do echoes in eternity

Now as brothers they unite  
And as enemies they shall apart  
For the glory of the Empire  
Now I've been betrayed  
But there is no one here to tell  
I must walk towards the deadline  
I must walk it alone, all alone

On my quest for a new horizon  
I've been waiting for so long  
In the time of a desperate fighter

Free me from the spell that I'm in  
Thought these eyes I have seen  
With my soul I have been drowning  
This journey must end  
I must enter the scene once again

My name has been taken  
My soul has been torn apart  
What I have lived for has now been taken away from me  
Sold for a penny, I was marked as gold  
The arena opens up  
The salute of a thousand souls  
I must struggle to win the crowd

Now the time has come  
Will I win or fall?  
Victory is on my mind  
Could it ever be what I have found?  
Now the gates are open wide  
I must enter the arena  
It will bring me one step closer to my revenge

On the quest for a new horizon  
I've been waiting for so long  
In the time of a desperate fighter

Free me from the spell that I'm in  
Through these eyes I have seen  
With my soul I have been drowning  
This journey must end

I gazed into the night  
Where you and I once used to watch the sun set,  
And the moon rise  
Now as the time pass by, when I can not breath at all  
When you reach out your hand

Betray whispers in the wind

An era that never ends  
My soul is in blister, but I feel no pain  
I can now see what was taken away from me  
Through the gates I walk, but I am not alone  
I am One, now finally, finally I'm free

On my quest for a new horizon  
I've been waiting for so long  
In a time of a desperate fighter

Free me from the spell that I'm in  
Through these eyes I have seen  
With my soul I have been drowning  
This journey must end  
I have entered the scene again

For the glory of the Empire  
That's been built by the hands of slaves  
For the glory of the Empire  
That's been built by the hands of slaves  
To fulfill the master's will
