

Havoc

Circus Maximus

This time I'll go too far
Go too long, gonna set the bar
I'm out for blood, I wanna silence the peace
'Cause I am havoc, let me have my release
Come on!

Pick a fight, swinging my right
Make a sucker bleed out, knocked out, lights out, goodnight
'Cause in the ring, I am the raging bull
Here's to me, now go get your pull

I am the prosecutor, judge, executioner
The sound of the hammer just sealed your fate
'Cause I'm the arsonist, attend my wake
As the Salem witches burn at the stake

(Hey!) You're gonna see me
(Hey!) You're gonna scream and
(Hey!) You're gonna feel my blade slide in your side
(Hey!) You're all beneath me
(Hey!) You won't defeat me
(Hey!) 'Cause I am here with havoc as my bride, yeah

(Step right out folks! Witness a real live circus freak wreakin
g havoc in your neighborhood You better step out of his way or
he'll beat you to the ground. Ha-ha!)

This time I'll go too far
Go too long, gonna set the bar
I'm out for blood, I wanna silence the peace
'Cause I am havoc, let me have my release

(Hey!) You're gonna see me
(Hey!) You're gonna scream and
