I am the god of hell fire, and I bring you
Fire, I'll take you to burn
Fire, I'll take you to learn
I'll see you burn

You fought hard and you saved and earned But all of it's going to burn And your mind, your tiny mind You know you've really been so blind Now 's your time, burn your mind You're falling far too far behind Oh no, oh no, oh no, you're gonna burn

Fire, to destroy all you've done Fire, to end all you've become I'll feel you burn

You've been living like a little girl
In the middle of your little world
And your mind, your tiny mind
You know you've really been so blind
Now 's your time, burn your mind
You're falling far too far behind
OOhhh
Fire, I'll take you to burn
Fire, I'll take you to learn

You're gonna burn, you're gonna burn You're gonna burn, burn

Fire, I'll take you to burn Fire, I'll take you to learn Fire, I'll take you to bed
