

## A Tale

Cirque Du Soleil

I begin a tale  
with a breath I inhale  
And cast a spell  
Use the words to propel  
Set you assail  
To a place where dreams of men dwell  
Nightmares efficiently await  
To test one's faith  
By how well  
You can deal with a tail  
That tells itself  
Said the storyteller  
A best seller is what I have in mind  
Ladies and gentlemen  
Settled in one upon a time  
Is where you'll find me  
La Nouba.
