

## 100 PSI

## Citizen King

(Lesson one)

Give me a gun to play with  
Cause that's for me  
Give me an idea to run with  
I'll never stop  
I'll never stop  
Me, I got the sticker  
To teach me right from wrong  
Give me a plastic thunder shoot  
And I'll be brave and strong

And the pressures coming on  
The pressures coming on  
The pressures coming on

Like 1-0-0, 1-0-0  
100 Pounds per square inch

Give me a box to live in  
I'll be happy to call it my home  
Show me a stand opposing  
I'll never move  
I'll never move  
Give me a time to punch in  
I'll be there for better or for worse  
Show me the way to heaven  
Show me the way to heaven

And the pressures coming on
