

# Better Days (And the Bottom Drops Out)

Citizen King

(It goes a little something like, like, like this)

In my shoes my toes are busted  
My kitchen says my bread is molded  
I got a good job at the dollar store  
One foot in the hole, one foot getting deeper  
With a broken mirror and a blown-out speaker  
I ain't got much else to lose

I'm faded, flat busted  
Been jaded, I've been dusted  
I know that I've seen better days  
One foot in the hole, one foot getting deeper  
Crank it to eleven, blow another speaker  
And I ain't got, I ain't got much to lose

Cause I've seen better days  
I've been the star of many plays  
I've seen better days  
And the bottom drops out

I've seen better days  
I've been the star of many plays  
I've seen better days  
And the bottom drops out

Now, my cup's filled up with five-buck wine  
I find myself here all the time  
Another rip in the glass, another chip in my tooth  
Rained on, I've been stained on  
Found another goat I try to put the blame on  
And now I'm stepping on all the cracks, so I guess there ain't no use

Cause I've seen better days  
I've been the star of many plays  
I've seen better days  
And the bottom drops out

I've seen better days  
I've been the star of many plays  
I've seen better days  
And the bottom drops out

Like my Gucci bag?  
That's beautiful, beautiful  
Check it, check it out

I'm bent like glass, second hand like glory  
Missed the bus, but I'm in no hurry  
Molasses fast, no business born  
One foot in the hole, one foot getting deeper  
Crank it to eleven, blow another speaker  
And I ain't got, I ain't got much to lose

Cause I've seen better days  
I've been the star of many plays  
I've seen better days

And the bottom drops out

I've seen better days  
I've been the star of many plays  
I've seen better days  
And the bottom drops out

I know that I've seen better days  
(And the bottom drops out)  
I've been the star of so many plays  
(And the bottom drops out)

I walked on the edge without a hold whole way  
(And the bottom drops out)  
Cause I know, I know that I've seen better, better days  
(And the bottom drops out)

(Now I'm real thirsty)
