

# Call Me Queen

Citizen Queen

CQ, NOVA WAV

I got a soft spot, but I got thick skin  
Yeah, I'm a sweet heart until I go in  
More than a picture, I'm three dimensions  
And I won't whisper if I got questions  
Slick talker, pimp walker, please  
Conquer it or you gotta leave  
Hot summer, cool as a breeze  
Still got a couple tricks up my sleeve

Keep my head up, head up, and heels high  
I might be in love but I don't rely  
On someone to make me feel alive  
You keep calling me baby  
But that's not what my name is

Woo, not trying to be dramatic  
Call me Queen if you wanna have it  
Woo, not trying to be dramatic  
The way you talking kind of problematic  
Before you talk to me with your hands  
I'ma make sure you understand  
Woo, not trying to be dramatic  
Call me Queen, call me Queen, call me Queen, yeah

I think you poppin', we could be something  
Long as you know my show ain't for stunting  
If you a real one, it's a habit  
You'll respect me, it's automatic  
Help me out, it's a drought  
I'm not trying to put words in your mouth, but  
Build me up to love me down, oh yeah

Keep my head up, head up, and heels high  
I might be in love but I don't rely  
On someone to make me feel alive  
You keep calling me baby  
But that's not what my name is

Woo, not trying to be dramatic  
Call me Queen if you wanna have it  
Woo, not trying to be dramatic  
The way you talking kind of problematic  
Before you talk to me with your hands  
I'ma make sure you understand (Ay)  
Woo, not trying to be dramatic  
Call me Queen, call me Queen, call me Queen, yeah  
(Oh-oh, oh-oh, oh-oh, oh-oh, oh)

Call me Queen (Ooh, whoa)  
Call me Queen (Oh, whoa)  
Now you gotta call me Queen (Now you gotta call me Queen)  
Ooh (Call me Queen)  
Call me Queen  
Uh whoa, whoa oh!

Woo, not trying to be dramatic (Ooh-ooh, ah, yeah yeah!)  
Call me Queen if you wanna have it  
Woo, not trying to be dramatic (Ooh-ooh)  
The way you talking kind of problematic (Yeah) (Yeah!)  
Before you talk to me with your hands (With your hands, babe)  
I'ma make sure you understand (Hm-mm-hm-mm)  
Woo, not trying to be dramatic (Hey, hey)  
Call me Queen, call me Queen, call me Queen, yeah (Woo-ooh!)
