

Crush

Citizen Queen

I'm ya, I'm ya crush
When I post my pic, your heart go double dutch
But a double text is playin' way too much
I'll make you fall in love
I got the magic touch
Yeah, I'm ya, I'm ya crush

Kicks, only Saks
With a pretty face to match
You get attached
Can a necklace come with that?
I'm that sugar, you want a fix
Out five stars, I'm a six
Gotta bring that heat 'til they ease off of my back, yeah
Got the rocks on
Watch on too
Jeans on
Hat and shoes

Take a mental picture, babe
I'm the only one on your brain
Baby, I didn't say no
Maybe just say hello

I'm ya, I'm ya crush
When I post my pic, your heart go double dutch
But a double text is playin' way too much
I'll make you fall in love
I got the magic touch
Yeah, I'm ya, I'm ya crush

The fit is clean, squeaky clean
Bitch, I lose never
With the team, it's routine
We the Jordan letter
Boy, you need some more of what you're looking for
Yeah, that's all me, and you don't wanna be alone

I'm on a brand new lease
They wanna get like me
Trendsetter
Easy like 123
H-O-T
No one better
Take a mental picture, babe
I'm the only one on your brain
Baby, I didn't say no
Maybe just say hello

I'm ya, I'm ya crush
When I post my pic, your heart go double dutch
But a double text is playin' way too much
I'll make you fall in love
I got the magic touch
Yeah, I'm ya, I'm ya crush

(Say my name

Don't do too much
Baby, say my name
No, don't do too much)

Say my name
But don't do too much
Baby, say my name
Know you need my touch
Come through, do what you said you'd do
If you call me tonight, maybe I'll call you mine

Crush
When I post my pic, your heart go double dutch
(Yeah, I go double)
But a double text is playin' way too much
(Way too much)
I'll make you fall in love
(Fall in love, boy)
I got the magic touch
(Magic touch)
Yeah, I'm ya, I'm ya crush
