Citizen Queen

Gimme what I want

Tell me get 'em, then I got 'em (Get 'em, girl, you got 'em)
You know I'm always starting problems (You always starting problems)
But I know how to solve 'em (Okay)
Oh-oh-oh-oh-oh (Oh)
I got the juice in a drip (Juice in a drip)
I can kill 'em with a kiss (You kill 'em with a kiss)
You know my love hit different (Okay)
Oh-oh-oh-oh-oh (Oh)

I can sell game to a pimp, yeah
Cake so sweet make a wish, yeah
I'ma drop it down like it's money on the floor
Pick it back up, take it home, take it home
Come and see about it if you watchin'
If you ain't about shit, I'ma clock it
I'ma drop it down like it's money on the floor
Now you know, now you know (Ha-ha)
