

XO

Citizen Queen

I'm over giving second chances
Confidence too lit to let you take my heart for ransom
Can't take my heart for ransom (Mm, yuh)
Applying pressure
Moving new direction
Life high fashion
I get active

Aye, I'm feeling bubbly
Walking past the mirror like I love me
Hands up in the air, stripper dance, stripper dance
You ain't gotta tell me that you love me, just show me them bands

Don't need no XOXO (Don't need no love)
I want baguettes and Lambos (Don't need no love, no way)
Don't need no XOXO (Don't need no love)
This that bad bitch anthem (Don't need no love, no way)

No love, no love, love (Don't need no love, no love, don't need no love)
We don't need it, no
No love, no love, love (Don't need no love, no love, don't need no love)
We don't need it, no (No)

Top down on the coupe
Hair blowin' through the roof
Glare bouncin' off the jewels
Throwin' up the deuce
Throwin' up the deuce
We out in these streets
CQ on repeat
NOVA on the beat

Rollie on my wrist, check
Fenty on my lips, check
Dior on my hips, check
Watch me do my dip, yuh
Watch me do my dip
Focused on my riches
I can't be your Mrs
Get up off my dick

Love and leave 'em
Tease 'em and still please 'em
Love and leave 'em
Never try hard to keep 'em
Heartbreak season, always heartbreak season
Don't give me no reason

Don't need no XOXO (Don't need no love, Oh, Don't need no XO)
I want baguettes and Lambos (Don't need no love, no way, Don't need it, don't need it, no)
Don't need no XOXO (Don't need no love, Don't need no XOXO)
This that bad bitch anthem (Don't need no love, no way, Oh)

No love, no love, love (Don't need no love, no love, don't need no love)
We don't need it, no (We don't need it, nah, no, no, no)
No love, no love, love (Don't need no love, no love, don't need no love, No

love, No I don't, no)
We don't need it, no

Don't need me new love, I'm a ride or die
Nobody above, stacked like my dollar signs
I'm on some superhero shit, the way I move kryptonite (Yuh)
I'm flying high for life
Either get lost or get with my vibe
My life is a movie, I stay causing a scene
I'm a summer blockbuster every day of the week
I sign my checks with an "XO", they already know who the fuck I be
It's Nina Queen, that's royalty, the flyest chick that you see

Don't need no XOXO (Don't need no love, I don't need it, Don't want no)
I want baguettes and Lambos (Don't need no love, no way)
Don't need no XOXO (Don't need no love, Don't need no XO, oh)
This that bad bitch anthem (Don't need no love, no way)

No love, no love, love (Don't need no love, no love, don't need no love, No love)
We don't need it, no (We don't need it, no, no)
No love, no love, love (Don't need no love, no love, don't need no love, XO,
I don't need it, no, I don't)
We don't need it, no

No I don't, no I, no I, don't (No, no, no, no)
No I don't, no I, no I, don't (Don't need you, no)
No I don't, no I, no I, don't (Uh, No, I seriously don't need you)
No I don't, no I, no I, don't (Don't need no love)
I don't need no XO
