

# MIRACLES

Citizen Way

Miracles, miracles

They said the storm would never break  
But I've seen You make a way  
You turn the dark into the day  
So all I gotta do is praise, yeah

I've seen it time and time again  
Alright  
Alright  
There's nothing out of Your hands  
Ooh, yeah

Yeah, I believe, I believe in miracles  
And I will see, by faith, supernaturally  
Mountains are gonna be moving  
And we're singing Hallelujah  
Yeah, I believe, yeah, I believe in miracles

You bring me faith unshakable  
Unshakeable  
Hope waking up my soul  
Mmm, yeah  
I've seen the grave get out the way  
Get out the way  
You're making Friday feel like Sunday  
Sunday

I've seen it time and time again  
I've seen it time and time again  
There's nothing out of Your hands

I know that I believe, I believe in miracles  
And I will see, by faith, supernaturally  
Mountains are gonna be moving  
And we're singing Hallelujah  
Yeah, I believe, yeah, I believe in miracles

Miracles, miracles  
Miracles, miracles

When the world says impossible  
I believe  
When my life needs a miracle  
I believe  
Watch my God  
My God  
Make a way  
Make a way  
Every time I call His Name

Yeah, I believe, I believe in miracles  
Yeah, I believe  
And I will see, by faith, supernaturally  
And I will see  
Mountains are gonna be moving  
Ooh, yeah

And we're singing Hallelujah  
Hallelujah  
Yeah, I believe, yeah, I believe in miracles

Miracles, miracles  
Miracles, oh, miracles
