

On My Side

Citizen Way

Fear is liar and the Devil's a thief
He keeps creeping in whispering
You're not man enough to make it
You're not tough enough to take it
But I know the truth
I don't have to be 'cuz
My God is on my side
Why should I fear
Why should I hide
On the mountain
In the valley
His plans are good for me
This one thing I know
Whatever may come
Wherever I go
When I fall or
When I fly
My God is on my side
On my side on my side
I remember the shackles
I remember the weight
And the guilt in a heart
That only knew how to break
But like summer in December
I found freedom in surrender
Grace cut my chains
How could I not believe
No matter how the battle looks
It won't end in defeat
The King of all the universe
Fights the war for me
He's won the victory
